Accessibility Statement for Trial and Error

This is an accessibility statement from Trial and Error.

Measures to support accessibility

Trial and Error takes the following measures to ensure accessibility of Trial and Error:

- Include accessibility as part of our mission statement.
- Include accessibility throughout our internal policies.
- Integrate accessibility into our procurement practices.
- Assign clear accessibility goals and responsibilities.
- Employ formal accessibility quality assurance methods.

Conformance status

The [Web Content Accessibility Guidelines (WCAG)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Trial and Error is fully conformant with WCAG 2.1 level AA. Fully conformant means that the content fully conforms to the accessibility standard without any exceptions.
